Dear Parents/ Guardians:

Your child has been accepted to the Ironbound Summer Arts program at our newly air-conditioned Community Center at 432 Lafayette Street. The Program will start on Tuesday, July 5 and end on Friday, August 12. (We will extend the Program two more weeks until August 26 if there is a need.)

The program is designed to stimulate your child's creativity through art activities conducted by professional artists in the areas of art, theater, music, and dance. Along with the onsite activities, there will be trips once a week to art and cultural sights throughout the metropolitan area.

The children are expected to arrive at the Center at 8:30 am where breakfast and lunch will be provided. If you do not wish your child to participate in this food program, your child can bring his/her own lunch. No one will be allowed to leave the sight to purchase lunch or have any of the teaching staff purchase lunch for them. The program ends at 3:00 pm.

The Program Fees are:
